SERIAL NO. 3

The Chief Secretary to the Government of Mysore

SIR,

With reference to your letter No. 12547 / J.F 53-92 dated 1st Instant enquiring whether there is any objection to men of the Coorg Police Force attending either of the Police Schools at Mysore or Bangalore, I have the honor to state that there is no Police School at Mysore; and it will give me great pleasure to receive members of the Coorg Police Force for instruction in the Bangalore School. This consists of two classes, the lower one for giving instruction to Duffedars and Constables in service in portions of the Criminal law and Drill and Musketry; and the other for training recruits and promising men in the Force for the upper subordinate service of the Department. The former is an old institution and the latter a recent one sanctioned in Government Proceedings No. 3146-7 / J.F 53-92 dated 25th August 1892 and Camp No. 372-3 dated 16th June 1893. The former class will be opened next on the 20th February 1894 and the latter on 1st March 1894.

2. A memo giving full details of instruction and cost with reference to each of these classes is herewith submitted for the information of Government. Students for the lower class may be received for training free of charge to the extent of 10 in number; but if the number is exceeded, another class will have to be opened with additional instructors. The extra cost

cost on account of these 10 students will be Rs 10/- being the cost of ammunition spent during musketry.

3. Police Officers of Coorg may also be admitted into the higher class upto a number of 4; and the additional cost that will have to be incurred will be on account of photographic materials and ammunition. (Vide para 9, II and III of the Memo). They will have to pay for instruction in equitation separately in accordance with the scale intimated by the Military Secretary (Vide para 9, IV of Memo).

4. As mentioned in the Memo, all officers and men in Service get their full substantive pay during the course of instruction; but horse allowance is not given. A house rent allowance of 2 Rs in the case of Jamedars and 1 Re in the case of Duffedars and Constables is given; but this allowance is withdrawn on readmission after failure in the examination. No batta is given; nor any Scholarship to recruits. Officers in Service are paid Travelling allowance in accordance with the Mysore Service Regulations

5. I would request to be informed as early as possible of the number of Students that may be expected for admission in each class.

I have the honor to be,
Sir,
Your most obedient Servant

M Narasa Rao
Inspector General
of Police

GOVERNMENT OF MYSORE

Office of the Inspector General of Police in Mysore

Camp Mysore 10th February 1894

Enclosure to Serial 3.

Memorandum

The head quarter Training school for the Police is located in the Fort, Bangalore, and there is none at Mysore. The school consists of two classes. In the lower class Constables and Duffedars already in the service are trained in Drill and Musketry and the Criminal law; the upper class gives instruction to Jamedars and Inspectors in service and also to candidates for these grades in the Codes and some special subjects.

Lower class

2. Literate and willing Constables and Duffedars from the Talugs

within 30 years of age and of good physique are selected and are given instruction in Drill and Musketry and the Criminal Codes, for a period of four months At the end of the course, an examination is held and the successful candidates are preferred for promotion in the service. Those who fail are sent back to the Lahugs, unless retained for undergoing a second course of instruction.

3. The students are given four hours' instruction a day in the Codes and 2 hours are devoted to Drill and Musketry exercise. The teaching establishment consists of a 1st class Jamedar on a salary and allowance of Rs 33 per mensem who teaches the Codes, and two retired Drill

Havaldars on 10 Rs per mensem each, to train the candidates in Drill and firing. Rs 2 are allowed for contingencies. Students purchase their own books and stationery; cartridges and percussion caps are supplied at the cost of Government and cost about a Rupee per student. Government guns are given for use. Between 40 and 50 students form a class and it is not possible to admit more without additional establishment. The present strength of the class is 42.

4. Thus for a class of 50 students the cost of instruction amounts to Rs 270 for a course or Rs 67—8—0 per mensem. Each student costs Rs 1—5—7 a month.

5. The students get their full

substantive pay during the course plus an allowance of 1 Rupee for house-rent and they receive travelling allowance to and from School in accordance with the Codal Rules. No batta is given, and when a student who has once failed in the examination is readmitted, the allowance for house-rent is withdrawn.

6. A lower class is also maintained at Shimoga to train up the men of the adjoining Talugs.

The upper class

The class for training candidates for the posts of Jamedars and Inspectors was formed in November 1892 at Bangalore, with a view to have a number of trained recruits to fill up the posts in the upper subordinate service

The

GOVERNMENT OF MYSORE

The present class, opened in October 1893, is confined to young promising men already in the police service in the Inspector or Jamedar's Grade The next class, to be opened on the 1st of March 1894, will consist of Police officers and men specially qualified and a batch of not more than 30 candidates selected in accordance with the accompanying printed notice dated 10th November 1893.

8. The subjects taught are as follows:—

I. Surveying and Geometrical Drawing: This includes surveying with chain and prismatic compass and plotting, and of drawing ground plan, elevation and section of ordinary buildings. It is expected to be a six months' course. This class is in charge of a Teacher who is at present paid 80 Rs per mensem

he students purchase their own drawing materials &c.

Photography: The use of the camera with dry plates is taught as also the processes of developing and printing. This is expected to be a two months' course at the rate of 2 hours a day. The teacher will be paid Rs 100 for the course. Rs 40 worth of plates and chemicals will be purchased by Government; and each student will, in addition, have to use about Rs 15 worth of them before he can be trained to the art.

III. The Criminal Laws:

The marginally noted subjects are taught by an Inspec of Police on a salar of Rs 100+15 per mense

the Indian Pen
" Criminal Procedure "
" Evidence Act
Medical Jurisprudence
Police Rules and Circular
Practical work of a Station House Offic

This will be a six months' course
The students purchase their own
books.

IV. Drill and Shooting:

A havaldar from the Special
Reserve Force is appointed to train
the students in Drill and Shooting
He is paid Rs15 a month and the
course may be said to be one of
three months. Ammunition is
supplied by Government and cost
about a Rupee per student.

V. Equitation: This is likely to be
a three months' course. The Milita
Secretary who was addressed on
the subject of training the candida
in the Silledar Riding School, cons
-ders that the cheapest method
will be for the students to bring
their own horses or ponies, and
he will detail an Instructor. If
this is not practicable, he will be
able

able to utilize some of the bigger Government transport ponies for this work and for the rest he will give horses. He will charge Rs 5 per pony and Rs 7 per horse. This matter is under correspondence.

VII. Ambulance work such as dressing wounds and restoring ancination to persons apparently dead from drowning:

The students are attending the class for the Silledars of the Imperial Staff corps, where an Assistant Surgeon is deputed to deliver a course of lectures on the subject. This will be about a month's course, and an allowance of Rs 50 will have to be paid to the lecturer.

9. 5 Rs a month are allowe for contingencies of this class. The present strength of this clas is 26. The Surveying class and

the class for teaching Photograp
cannot be stronger than 30 with
increasing the establishment
while the other classes (the Codes
Drill and Ambulance) may con
-tain a maximum number of 6
students.

10. The cost of a class of 60 stude
per term of 6 months may be cal
-culated as follows:-

	Term	Rate	cost
I. Surveying and drawing:	6 months:	80 for 30 students	960
II. Photography	2 months:	100 for a batch of 30 + 40 Rs a batch	280
III. The Codes . . .	6 months:	115 per mensem	690
IV. Drill and Shooting	3 months:	15 " : "	45
		ammunition —:—	60
V. Equitation	"	"	"
VI. Ambulance	1 month	" :	50
Contingencies —	6 months:	5 per mensem	30
			Rs 2 11 5

ch student thus costs Rs 35-4-

r term or about Rs 6-0-0 per men

16 The candidates do not get
y scholarship. Those in the
vice get their full substantiv
y without the horse allowanc
tached to the appointment
house rent of Rs 2 in the case
medars and 1 Rupee in the cas
constables and Duffedars w
ay be selected for the upper
xss is also allowed.
